# MANAGERIAL ACCOUNTING TAUGHT DIFFERENTLY.

**Interactive Online Tutorials:** Students work through multi-sensory interactive online tutorials and learn the key concepts they need to know before they arrive in class. These tutorials provide hands-on experience with our innovative Accounting Map™.

**Online Homework Manager:** Algorithmic homework questions, assignments, projects, cases, tests and quizzes.

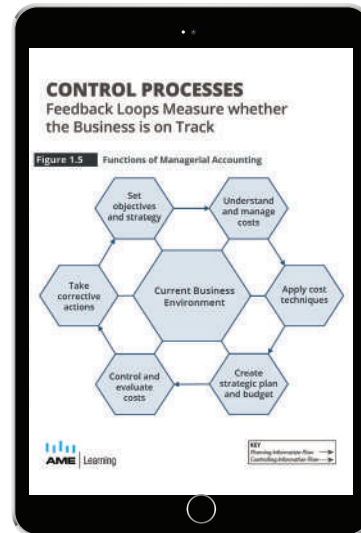

**Practice:** The workbook features Practice Questions in every chapter. These questions focus on individual concepts and calculations for each learning objective. They provide introductory practice before students move on to the more detailed and complex Application Questions.

**Excel templates:** The end-of-chapter review exercises are now available in Microsoft Excel templates, downloadable from AME Engage™. Select tables within the chapters are designed to resemble spreadsheets, highlighting the practical application of Excel in the field of accounting.
